

Class of 2022 Joint Application

AARON PRICE
FELLOWS PROGRAM

CARDINALS INTERACT

PRICE
PHILANTHROPIES

The Cardinals Interact Program is looking for students to join the Class of 2022. The mission of the program is to help Cardinals Interact students achieve lifelong success.

The goals of the program are:

- To assist students in successfully completing graduation requirements and be ready for college.
- To help students create a community of mentors and positive role models.
- To educate students about the world they live in, thereby encouraging them to positively impact their community.
- To develop strong leaders who make positive choices.

As a member of the program students are provided positive and supportive activities for 3 1/2 years. The program offers participants academic support, tutoring, mentoring activities, as well as the opportunity to become part of a positive community.

During the first year students are **required** to attend a camp, a two week summer enrichment program and one day of tutoring a week. During the remainder of the time in the program students will participate in visits to local businesses, non-profits, and public organizations to learn about different career opportunities. Participants will continue to attend camp once a year and participate in community service projects.

Programs are typically scheduled twice a month, on Wednesday afternoons. Students who successfully complete the entire program are awarded a one-time scholarship of **\$1000** for vocation school/community college, or **\$1500** for a four year college or university.

To **qualify** for the program students need to:

- Be a 9th grader attending, and planning to graduate from, Hoover High School.
- Maintain good attendance and citizenship at school and in the program.
- Have a desire to improve academically. **You must have at least a 1.0 grade point average (GPA) to qualify for the program. Once in the program, students are expected to reach and maintain a minimum of a 2.5 GPA each quarter.**
- Have a desire to make personal improvements.
- Be available to attend scheduled activities.
- Be motivated and open-minded.

Application Process

- Applications are only available to students who plan on attending Hoover High School through graduation.
- Students need to submit a completed application, which includes a letter of recommendation.
- From the applications, we will select an estimated 100 students to interview for the program on the scheduled date.
- 50 students will be selected from the students who are interviewed.

Dear 9th Grade Student,

The Aaron Price Fellows Program is looking for 40 exceptional students for our Class of 2022. The mission of our program is to prepare highly motivated and diverse San Diego public high school students to be responsible, engaged and caring members of their community.

As a member of the program, Fellows participate in an incredible three-year journey. The journey begins the summer prior to sophomore year at a week-long away camp where bonding and friendships start to form. Throughout the following year, Fellows visit non-profit and cultural organizations to learn about career opportunities and their role in our community.

During the second summer, Fellows take a multi-day trip to continue learning about important issues and building the bonds of friendship. Throughout their junior year of high school, they learn about local and state government and attend programs on important topics such as juvenile justice.

Fellows begin the third year of the program with a June trip to Washington, DC where they meet with elected officials, tour important sites and learn about the federal government. Fellows then continue to attend local programs about national issues and leading industries during their senior year. They also receive support with college admissions.

To qualify for the program, students must:

- Be a 9th grade student at one of the six participating high schools (Hoover, Lincoln, Point Loma, Morse, San Diego & University City)
- Have a minimum 3.0 GPA
- Be available to attend monthly programs, typically scheduled on Saturdays and during school holidays
- Have diverse interests and experiences
- Have a strong desire to learn and grow
- Have a positive outlook on life
- Demonstrate verbal and written communication skills
- Plan to attend college
- Be willing to share their experiences and opinions during discussions and in written reflections

Application Process:

- Applications are available in January online at www.aaronpricefellows.org and at the participating high schools
- Students must submit the application packet to their school counselor by March 1, 2019
- A subset of the applicants will be selected for a mandatory interview on April 13, 2019
- 40 students will be selected from the students who are interviewed and notified by the end of April
